

Planned tram line closure

Thursday 25 March (00:01 until 06:00) and
Friday 26 March (00:01 until 06:00)

- Trams will run between Wimbledon and East Croydon and to and from New Addington via the central Croydon loop
- There will be no service between Sandilands and Elmers End/Beckenham Junction
- Normal service is expected to resume across the network from 06:00 each day

This is due to engineering works. Replacement buses will not run during this closure.
