These Dementia Friendly screenings aim to make cinema more accessible by providing a fun and inclusive experience to enable people living with dementia, their families and carers to attend the cinema in a safe and welcoming environment.

The lights are left on low, there are no adverts or trailers and the audience is allowed to move around or even sing along to any musical numbers if they would like to.

Admission is £5 on the door for people with dementia (carers are free).
Tea, coffee and biscuits will be available before the screening.
